

**Kent School Site Council Minutes**  
**November 2, 2021**  
**3:30 – 4:30 PM**  
**LUNCH PLAZA OUTSIDE**

**1. Introductions**

**2. Reading of Norms**

**3. Approval of Minutes - Lisa Sandberg, Trisha Beales**

**4. Single Plan for Student Achievement (SPSA)**

- Review and SC involvement - We walked through all of the goals, great discussion on MAP testing to get students to grade level (80-90%). Suggestion that Youth Truth Survey be twice a year for ability to measure progress and implementation.

**5. Committee Updates**

- Finance -  
Initial meeting, walked through calendar year deadlines. Mid Dec 2021 district will have an Audit Report. There are restricted funding dollars that we have used against PPE and Cleaning Supplies. This year's budget has not been highly impacted due to the fact that we are not state funded - we are a basic aid district, thus our property tax revenue generates more funding than the state allows per pupil. \$96K of the district budget went to Charter schools; we received \$340K in Federal Covid Funds that the district has spent on Instructional Aid and Staff Intervention to make sure all students are "caught up" as they exit the 2021-2022 school year. There are parameters on the use of the state and federal covid money in regards to how it is used and the timelines in which it is used. Initial conversations around State Mandated programs were discussed and will be discussed in further detail at the upcoming meetings.
